

## COVERAGE FOR TIRES & WHEELS

When unexpected road hazards happen, we have you covered. Optional cosmetic coverage helps you guard against those damages to your wheels that are not covered by most mechanical breakdown or tire-only plans.

### EVERY PLAN INCLUDES

#### NO DEDUCTIBLE

We cover tire and wheel expenses associated with damage from a covered road hazard, including parts, labor, balancing, valve stems and proper disposal of any tire or wheel.

#### ROAD HAZARDS

We will repair or replace flat tires and damaged rims that result from a covered road hazard.

#### SECURITY

Have added security with the services provided with our 24 hours Emergency Road Service.

#### CANCEL ANY TIME

You can cancel your contract at any time and receive the unearned portion of the purchase price due under your contract's terms and conditions.

#### REFUNDABLE

Your plan is fully refundable within the first 60 days if no claims have been filed.

#### COSMETIC REPAIR

With the optional cosmetic coverage, not only will your wheels be functional, we will also help keep them looking good. (Not available on all vehicles).

## PROTECTION BENEFITS

### PROTECTION WHERE IT COUNTS MOST

Every day the morning drive seems to get worse. One pothole turns into two or three. Before you know it, you have a slow tire leak or the occasional flat tire.

This is why we offer Tire & Wheel Protection. To help cover the cost of tire and wheel damage from everyday hazards such as potholes, nails, glass and other debris.
