Dealer Services

*“Great partners
Great products”*

ABOUT OUR COMPANY

Auto TechGuard Auto Protection Services

Auto TechGuard is a premier provider of extended vehicle service contract and ancillary products. Our agents have a wealth of knowledge and years of experience and wisdom gained through their dealership retail experience.

Our company prides itself in providing products and services with compliance and customer satisfaction. Our field agents and infrastructure give you and your customers the support needed for an “A” rated experience. Additionally, all designated contracts are backed by a Contractual Liability Insurance Policy issued by Plateau Casualty Insurance Company.

Dealers nationwide are switching to Auto TechGuard after seeing first-hand the experience of working with such an experienced and efficient company. In addition to delivering first-rate products, we provide continued support to our dealer network to enhance the customer experience every step of the way.

PARTNERSHIP STRATEGY

Auto TechGuard partners with each dealer to ensure that we deliver industry-leading products along with industry-leading service.

All of our agents have many years of dealership experience to help develop winning strategies to increase overall dealership profitability. Auto TechGuard agents are committed to helping increase bottom line profits with high customer satisfaction in a compliant manner. We can achieve winning results through observing and coaching each dealership on a personal level.

Each agent will help increase profitability by focusing on:

- * F&I training and development
- * Assist in achieving industry benchmarks
- * Assist in reaching dealer specific goals
- * Develop business improvement plans
- * Financial Analysis

OUR VISION & MISSION

“Auto TechGuard prides itself on providing world class F&I Products and Solutions in a compliant, customer friendly and profitable structure for each dealership.”

Company Vision

It's simple. We align ourselves with dealer partners to enhance the customer buying experience while increasing overall F&I productivity. We fit each customer with products that meet their individual driving needs. We seek to build business relationships using tools and resources essential for your dealership's success. We raise industry standards and achieving the highest customer satisfaction without compromising dealer profitability.

Company Mission

Our Mission is to ensure our consumers are completely satisfied each step of the way. From purchasing a product, to having their vehicle repaired quickly and efficiently, a fast and satisfying turn-a-round. With our industry-leading claims process, our goal is to minimize repair time and maximize the dealer and consumer experience. Which helps to build brand loyalty for the dealer and the Auto TechGuard brands.

PRODUCT PORTFOLIO

There are no secrets to success. It is the result of preparation, hard work, and learning from failure.

Tire & Wheel Coverage

With unpredictable road hazards, we provide confidence in knowing that we have you covered with road hazards and even offer peace of mind for covered cosmetic damages.

Guaranteed Asset Protection

In the event of a total loss accident, the GAP provider will pay the difference between what the loan balance is and what an insurance company pays for market value.

Vehicle Service Contracts

Our Vehicle Service Contracts offer peace of mind when your vehicle is out of manufacturer's warranty. We have a variety of terms of coverage to fit your driving needs.

Extra Guard Protection

We even cover those accidental dings or dents, unfortunate interior rips or windshield repair and replace key/FOBS.

With ATG, you get more than an incredible product line; you receive a business partner.
